## All the power you need under one roof.

When work moves indoors, we've got you covered. Whether you're going inside for finish work or to stay productive during inclement weather, our full line of construction-grade power tools and specialized non-marking, zero-emission heavy equipment keeps you fully equipped for every project phase.

*People*  
Rental Equipment you can depend on.

No investment, no storage, no maintenance, no hassle...just cost-efficient solutions from the Rental People You Can Depend On.

## Aerial Equipment

No matter how high your projects take you, Sunstate offers a wide range of aerial equipment that is backed by our rigorous safety standards.

### ■ Boom Lifts

30- to 135-foot articulated and telescoping electric, dual-fuel and diesel-powered lifts.

### ■ Scaffolding

Aluminum folding base and steel-frame scaffolding for any size job.

### ■ Scissor Lifts

Slab and rough terrain, wide and narrow platforms, with heights up to 53 feet.

### ■ Man Lifts

12- to 30-foot single-person, compact platform lifts.

### ■ Ladders

6-foot step to 40-foot extension.

Maneuverable in tight spaces and drivable while fully extended, the MEC 1330SE 13' 2WD Electric Scissor Lift provides an ultra-slim dual-operator work platform with an effective leak containment system.

## Concrete & Masonry

From mixing and finishing to cutting, core drilling, and more, we have the tools to tackle your toughest tasks.

### ■ Cutting & Drilling

Handheld or walk-behind saws in manual and self-propelled styles. Core drills and diamond-tipped bits for hole sizes up to 12 inches.

### ■ Move, Mix & Vibrate

Concrete buckets, track and wheeled power buggies, towable mixers, vibrators, and more.

## Earth Moving, Digging, Trenching & Compaction

Power your earth moving, digging and compaction with high-tech equipment that's ready to handle all your interior needs with precision and control.

### ■ Mini Track Loaders

Work where other machines can't. One worker can complete a variety of jobs in limited-access areas, reducing the need for wheelbarrows and shovels.

### ■ Mini Excavators

With operating weights ranging from 1.7 to 6 metric tons, our mini excavators pack powerful might.

### ■ Walk Behind Trenchers

More traction and maneuverability in a compact design for tighter job sites.

### ■ Electric Tampers

Electric powered so there's no worries about exhaust fumes or loud engine noise.

## Air Compressors & Tools

Make quick work of hard jobs with top quality air compressors, hammers, and tools designed for rock, concrete, asphalt, and more.

### ■ Air Compressors

Portable "wheelbarrow" electric and gas types, up to 750 CFM.

### ■ Air Hammers

Pistol grip chipping hammers to larger 90-pound T-handle.

### ■ Air Tools and Accessories

Chisels, impact wrenches, rock drills, sand blasters, and more.

## Air Movers

Count on Sunstate to have the air equipment you need to control circulation and humidity levels, speed up dry times, and protect worker safety with fume or dust mitigation.

### ■ Negative Air Machine

### ■ 36" Box Fan

### ■ Dehumidifier

### ■ Man-hole Blowers

### ■ Carpet Blower/Dryer

### ■ Welding Fume Extractor

## General Construction Tools

We keep our general contractor and specialty trade partners' projects moving with a wide selection of general construction tools.

### ■ Lighting

From small single-head light stands to towable diesel, solar, or hybrid-powered 4kW units.

### ■ Electric Tools

Drills, grinders, sanders, hammers, materials, and accessories.

### ■ Miscellaneous Tools

Hydraulic jacks, levels, hoists, and more.

### ■ Welding Equipment

Arc, electric, diesel welders, portable and towable, and accessories.

## Heating & Air Conditioning

Keep productivity up year-round in any climate with construction-grade HVAC equipment.

### ■ Heaters

24,000 to 1 million-plus BTUs.

### ■ Air Conditioners

Portable A/C units.

### ■ Evaporative Coolers

Portable evaporative coolers.

## Power

Get the power you need when and where you need it with portable generators and on-site distribution solutions.

### ■ Generators

3 to 320 kilowatts.

### ■ Distribution Accessories

Cables, cable ramps, adapters, stringers, and more.

## Pumps

From submersibles to trailer-mounted, we have a full lineup of pumps and accessories to move water fast.

### ■ Pumps

From garden-hose pumps to 4-inch trash pumps — and everything in between.

### ■ Pump Hoses & Accessories

Hose and connection items.

## Surface Preparation

Floor strippers, sanders, planers, grinders, sweeper/scrubbers, pressure washers, materials, and accessories, we've got the surface preparation equipment that can get the job done fast.

### ■ Floor Grinders

Looking for edge or dual-disc floor grinders with better dust control and leveling systems, we've got you covered.

### ■ Floor Strippers

Remove floor material faster and easier with our riding or walk-behind floor strippers.

### ■ Sweeper/Scrubber

Our rider and walk-behind floor scrubbers are compact workhorses that help you clean faster and more efficiently.

### ■ Vacuums

Control airborne dust, shorten cleanup times and create healthy and safe working environments.

## Mechanical/Electrical Tools

From tuggers to benders, we have a full lineup of equipment for your electrical installation needs.

### ■ Tuggers/Pullers

Up to 6,000-lb cable pullers that set-up in less than 2 minutes.

### ■ Benders

3/4" to 2" EMT, IMC, and rigid conduit benders.

### ■ Pipe Threaders

Cut threads into pipe with our full line of pipe threaders.

## Material Handling

Sunstate carries a complete line of forklifts, accessories and small-materials handling items.

### ■ Electric Pallet Jacks

Effortlessly move heavier loads in smaller spaces with quiet, self-propelled pallet jacks.

### ■ Electric Warehouse Forklift

Maximum power and performance for indoor applications.

### ■ Roust-A-Bout

Enables one man to lift and place loads in tight locations.

### ■ Drywall Carts

High-capacity carts for hauling drywall, glass or wood.
