

Full Protection Made Simple

As part of Sunstate's commitment to providing the best customer service and value in the industry, our Customer Protection Plan ("CPP") takes the risk out of renting equipment.

With CPP, you get increased protection with reduced exposure for the duration of your rental period. In the event of accidental damage or loss, CPP limits your out-of-pocket expense, providing straightforward peace of mind with no strings attached.

Customer Protection Plan

When the unexpected happens despite your best efforts to properly use and secure equipment on your jobsite, Sunstate is the rental partner you can depend on to minimize your financial risk for a low fee – only 15% of your rental rate – and a flat \$500 deductible.

See how CPP saves our customers money:

Reach Fork — Accidental Rollover

| | |
|---|---------------------|
| Estimated damage | \$30,000 |
| CPP Fee | \$60 ⁽¹⁾ |
| CPP Deductible | \$500 |
| Total Customer Responsibility* | \$560 |

Mini Excavator — Stolen from Jobsite

| | |
|---|---------------------|
| Fair Market Value | \$40,000 |
| CPP Fee | \$45 ⁽²⁾ |
| CPP Deductible | \$500 |
| Total Customer Responsibility* | \$545 |

Customer Savings: \$29,440

Customer Savings: \$39,455

*Standard rental rates and state and local taxes still apply.

(1) Based on a sample rental rate of \$400. (2) Based on a sample rental rate of \$300. Actual rates will vary.

For your convenience, CPP is automatically included in your rental agreement. If you would like to waive CPP, you will be asked to supply a current certificate of insurance.

CPP does not cover tires, equipment damages due to misuse, or loss due to lack security. Please review your rental agreement for complete terms, coverage and exclusions.
